Montreat. A place where the beauty of the mountains can be seen everywhere one looks. A place where quiet moments are treasured and enjoyed. A place where friendships are started and continued until eternity. A place where a person can be themselves and truly be accepted and loved for who they are. Montreat. A very special place indeed.

There are many things that make Montreat different than any place on earth. Some say it is the friendly way people make you feel welcome even if they never met you before. Some say it is the quiet serenity that surrounds this special valley. Some say it is because it seems that God dwells here and you can feel His presence everywhere you go. Some say that it is the select group of people that come here year after year to enjoy the scenery, to attend classes, to meet old friends, or to just be in a quiet place for a while. Whatever the reason is, there is no doubt that Montreat is a very different place.

Somewhere on campus this year you might have been asked the question, "What is the difference here at Montreat?" or "What makes Montreat different?". If you did answer the question in a semi-normal way, you will probably find your answer in this book somewhere. This is your book. It was made for you. You are in here and your friends are in here also. We want you to enjoy this book to the best of your ability. This is YOUR book. Enjoy and may God bless you and your memories of Montreat.

EVENTS

THE BELK CAMPUS CENTER

"Grant, O God, that this building may be a place where fellowship and fun are possible, and where the beauty of the arts may be more fully appreciated and enjoyed." These words were spoken by Mr. McKay Belk as he led the congregation of students and Montreat citizens in the litany at the dedication of the Belk Campus Center on October 24, 1985. The long-awaited Campus Center was dedicated to the glory of God and named after W.H. Belk who played a prominent role in the founding of Montreat-Anderson College in 1916. Dr. Billy Graham gave the main address in which he thanked all the many people involved in planning the center. The Montreat College Choir resounded with "Behold, The Tabernacle of God." With the final ribbon cut, the enter was officially open and students could look forward to enjoying the new bookstore, gameroom, snack-bar, post office, and prayer room. They soon found out what a great difference the Center made in their lives at Montreat.

The 1986 Agapé Honors

The 1986 Agapé is dedicated to Dr. Donald Wayne King, Professor of English. Dr. King has earned a B.A. from Virginia Polytechnic Institute and M.A. from Southern Illinois University. He recently completed his P.H.D. at the University of North Carolina at Greensboro. Dr. King has been a member of the faculty at Montreat-Anderson College since 1974. During this time he has encouraged many students in their personal faith as well as in perfecting their writing skills.

Dr. King and his wife Jeanine were married in 1973. They were advisors to the Student Christian Association. Now the Kings have three children, Bethany, who is nine years old, Rebecca, five years old and Nathan, two years old.

For all your dedication to Montreat-Anderson College Dr. Don King, it is only appropriate that the 1986 Agapé be dedicated to you.

Dr. Donald Wayne King

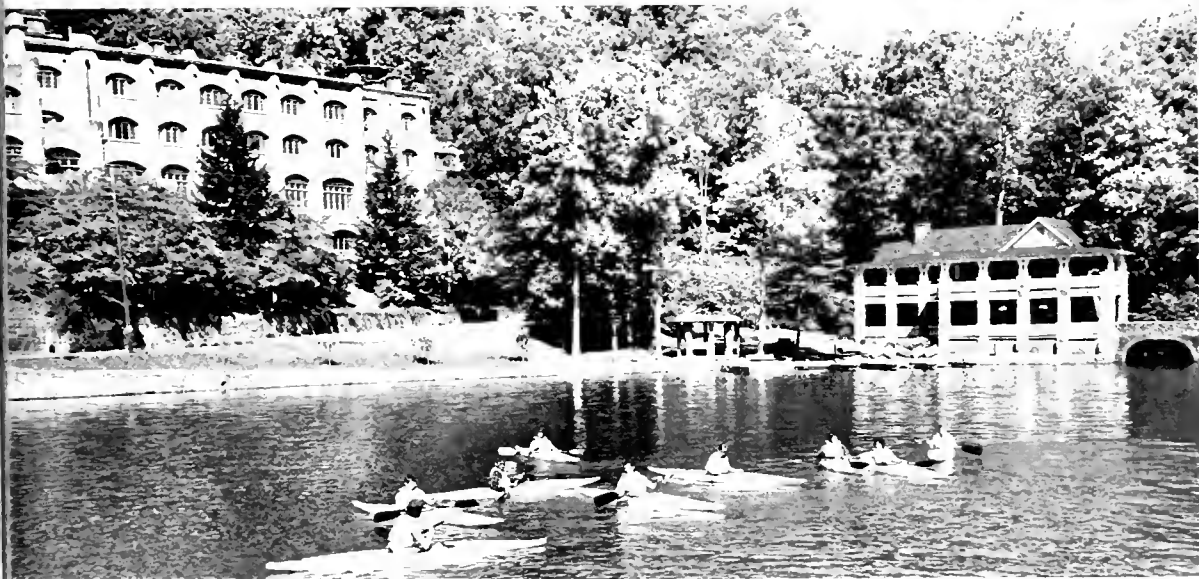

The Difference Is . . . God

The difference is . . . God. There are many differences at Montreat-Anderson, but no one can deny that God is a major difference. He is everywhere on campus and this is shown to us through His creation. Everywhere we look there are evidences of His love for us: Lake Susan, Lookout Mountain, Flat Creek, the sunsets, the various mountain trails, the snow, the old stone buildings, the ducks, and the loving Christian people. God makes a major difference in the lives of Montreat students, if they will only choose to notice.

Through His Creation

The Difference Is . . . God

Through His People

The Difference is ... God. Not only does God make a difference in our lives through the nature and beauty that surrounds us, He also makes a difference through the people He places in our lives. In Montreat, we have many chances to meet people from all walks of life and these people bring the reality of God's love and constant care closer to us every day. Yes, the difference is ... God.

The Difference Is . . . Montreat

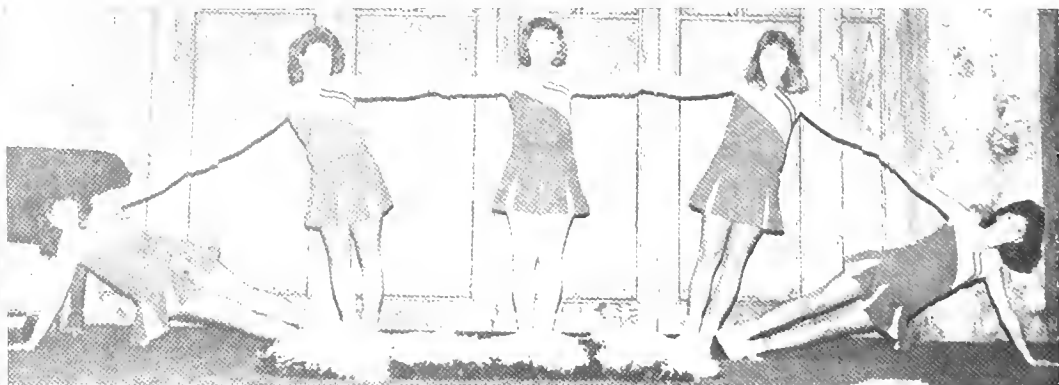

The Difference Is . . . YOU!!

The difference is . . . you. You are an essential part of Montreat-Anderson College. We of the annual staff dedicated these pages to you. Use them for autographs, addresses, or just to look at and remember.

There are so many people to thank for all of their hard work on this book. This book could never have been finished if it had not been for the people mentioned below. It is them that this page is for.

To the staff . . . please don't remember all the times that I really didn't have anything for you to do. Lisa, Liz, Jon, Andy, Alison, Debbi, Robin — there is no way that this book could ever have been put together without you and your help. You are true yearbook gems.

To my wonderful photographer . . . Bill Schieche. You are wonderful!!! I love you. Marry me now!!! I am indebted to you forever. You are one of the best photographers I know of. God bless you, my friend.

To my dedicated "night before deadline" workers . . . Stefanie, Ellen, Carmen, Beth — you guys are priceless. I could never thank you enough. I am amazed that God could bless me with workers as dedicated as you are. Never forget all of the late nights with Steve Taylor and Oreos and milk. I love you all.

To Mrs. A. . . . you are one truly amazing lady. You are such an uplift to me. Your excited spirit gave me excitement many times when I needed it. Thank you.

To Mrs. King . . . thank you for all your help on the dedication. You are one of the best secret-keepers I know. This dedication is as much to you as it is to him because we know that behind every great man is a woman and you are truly a great woman. Thank you.

To Mark . . . well, what can I say? Your dedication was just simply amazing and inspiring! Seriously though, thank you for your help. Proportion wheels are great things, aren't they???

To Robbie, Randy, and Rick . . . you guys are my very best friends. You all provided me and still provide me with shoulders to cry on, ears full of yearning to listen to my gripes, jokes when I needed them, compassion when I needed it, and the best friendships I could ever need. You all compliment my life perfectly. I thank the Lord for giving me you all. God bless you all with the best in life. You deserve it.

Last of all, to God . . . all the credit for this book goes to Him. He gave me strength when I needed just one more push, a friend when I wanted to be alone with Him, love constantly, and the best Daddy a girl could ask for. I love Him with all my heart and He is the Strength of my Life. HE IS MY LIFE!!!!

I pray that this yearbook will be everything that it was intended to be. It is your book. You are the reason for it. You are the difference.

In Him I am,

Priscilla Maxwell
